

HOW YOU CAN CONTRIBUTE?

WHO?

This story is a humorous look at the duality of humanity, as Winston seeks to define himself, one may have questions about what we feel defines us as unique individuals, and hopefully learn to laugh along the way...

WHAT?

A Conundrum of a Humdrum Interplanetary Humanedy

WHEN?

A near future, remarkable similar to our own, time has passed but not much has changed for humans except for their technology

WHERE?

An interplanetary journey through our cosmic backyard, from a cozy remote cabin in Alaska, Winston, an astrobotanist, travels by transporter to the Moon, and to Mars;... SIMULTANEOUSLY...

FISCAL OBJECTIVE

With only 10 % of the budget left unspoken for, this tale of a reality dysfunction is only a few contributions away from manifestation.

Total Still Unacquired:
\$6420.00

CURRENT CONTRIBUTIONS (of 10% remainder)

WHY?

To examine the human condition with humour and questions, no answers...
